Kunlun Nei Gung™ is an incredibly powerful, simple, safe & proven system which rapidly advances individuals' personal power & spiritual evolution.

Kunlun has been distilled & refined from ancient Taoist practices, which have previously only been taught by Taoist Masters to a selected few students.

Due to this recent simplification of these teachings by US based Sifu Max Christensen (who is also a Buddhist Lama & a Shaman of various traditions), Kunlun is now available to anyone seeking a greater sense of peace & contentment, or spiritual advancement, awakening & bliss.

Also known as the 'Taoist Water Path', the exercises work to open the practitioner up to the cooling, rejuvenating energy of the universe, as opposed to the earth / fire energy common to Qigong and kundalini yoga.

The course is to be held at Tumbulgum, Tweed Valley NSW. Sat / Sun, 12/13th of November, 10am – 4pm. Please register your interest ASAP so venue booking can be confirmed....

(and so you can enjoy enhanced Inner Peace & Bliss for these upcoming times of transformation!)
